

Quality Policy

Our customers satisfaction & success is our top priority.

We will fully support our customers and forge lasting relationships to the extent we are considered extensions of our customers premises by reliably and consistently manufacturing and supplying items of top quality that meet and exceed all agreed requirements.

We commit to:

- **A quality management system that meets the requirements of ISO 9001 including continuous improvement**
- **Honest and ethical business practices at all times**

All companies working for us will be educated & expected to know and meet our requirements.
